It is a pleasure to invite you to the 1st Nordic Dermoscopy Course which will take place 7-8 April 2016 in Gothenburg, Sweden.

This course is directed towards residents and specialists in Dermatology who are members of any of the five national societies within the Nordic Dermatology Association (Danish Dermatological Society, Finnish Dermatological Society, Icelandic Dermatological Society, Norwegian Society of Dermatology and Venereology and Swedish Society of Dermatology and Venereology).

The main goal of this course is to give participants a solid foundation in their daily work with dermoscopy in order to increase their confidence when assessing the most common benign and malignant, melanocytic and non-melanocytic lesions.

Find more information about the course and the programme on the course website: [http://nordicdermatologycourses.org/nordic-dermoscopy-course.html](http://nordicdermatologycourses.org/nordic-dermoscopy-course.html)

Looking forward to welcoming you to Gothenburg in April 2016.

Best regards,
On behalf of

John Paoli, MD, Assoc. Prof.
Dept. of Dermatology at Sahlgrenska University Hospital in Gothenburg, Sweden
Board member of the International Dermoscopy Society
